ORDINANCE NO. 1924-17

BOND ORDINANCE APPROPRIATING $514,600 AND AUTHORIZING $488,870 BONDS OR NOTES OF THE BOROUGH FOR DRAINAGE IMPROVEMENTS ALONG GEORGE AVENUE AUTHORIZED TO BE UNDERTAKEN BY THE BOROUGH OF MIDDLESEX, IN THE COUNTY OF MIDDLESEX, NEW JERSEY

BE IT ORDAINED BY THE BOROUGH OF MIDDLESEX, IN THE COUNTY OF MIDDLESEX, NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The Borough Council of the Borough of Middlesex, New Jersey (the "Borough") has ascertained and hereby determines that it is necessary and desirable to raise money to finance the cost of the improvements described in Section 3 of this bond ordinance, which improvements are hereby authorized to be made or acquired by the Borough. For said improvements or purposes stated in said Section 3, there is hereby appropriated the sum of $514,600, said sum being inclusive of all appropriations heretofore made therefor and including the sum of $25,730 as the down payment for said improvements or purposes required by law and now available therefor by virtue of provisions for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. For the financing of said improvements or purposes and to meet the part of said $514,600 appropriation not provided for by application hereunder of said down payment and the Grant, negotiable bonds of the Borough are hereby authorized to be issued in the principal amount of $488,870 pursuant to the Local Bond Law of New Jersey, constituting Chapter 2 of Title 40A of the New Jersey Revised Statutes (the "Local Bond Law"). In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Borough in a principal amount not exceeding $488,870 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvements hereby authorized and the purposes for the financing of which said obligations are to be issued are drainage improvements along George Avenue, including, without limitation, all work and materials necessary therefor or incidental thereto.

(b) The estimated maximum amount of bonds or notes of the Borough to be issued for said purposes is $488,870.

(c) The estimated cost of said purposes is $514,600, the excess thereof over the estimated maximum amount of bonds or notes to be issued therefor, if necessary, being the amount of the said $25,730 down payment for said purposes.

Section 4. The following matters are hereby determined, declared, recited and stated:

(a) The purposes described in Section 3 of this bond ordinance are not current expenses and are each a property or improvement which the Borough may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said purposes, within the limitations of the Local Bond Law and taking into consideration the respective amounts of said obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 10 years.

(c) The supplemental debt statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk and a complete electronic copy thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by $488,870, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by the Local Bond Law.

(d) Amounts not exceeding $46,775 in the aggregate for interest on said obligations, costs of issuing said obligations, engineering costs and other items of expense listed in and permitted under Section 40A:2-20 of the Local Bond Law are included as part of the estimated costs of said improvements.

Section 5. Any funds from time to time received by the Borough as grants in aid of financing the improvements or purposes described in Section 3 of this bond ordinance shall be used for financing said improvements or purposes by application thereof either to direct payment of the costs of said improvements or purposes, or to payment or reduction of the authorization of the obligations of the Borough authorized therefor by this bond ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of the costs of said improvements or purposes shall, be held and applied by the Borough as funds applicable only to the payment of obligations of the Borough authorized by this bond ordinance.

Section 6. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of said obligations and interest thereon without limitation as to rate or amount.

Section 7. The capital budget of the Borough is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith and the resolutions promulgated by the Local Finance Board showing all detail of the amended capital budget and

capital program as approved by the Director, Division of Local Government Services, are on file with the Borough Clerk and are available for public inspection.

Section 8. The Borough intends to issue bonds or notes to finance the cost of the improvements or purposes described in Section 3 of this bond ordinance. The Borough expects that the maximum principal amount of bonds or notes which will be issued to finance the cost of the improvements or purposes described in Section 3 of this bond ordinance is $488,870. If the Borough incurs any such costs prior to the issuance of the bonds or notes, the Borough intends to reimburse itself for such expenditures with the proceeds of the bonds or notes.

Dear Mayor and Council:

Middlesex American Youth Football and Cheer would like to hold a pep rally and bon fire prior to the start of our 2017 season. At this time we aren't sure when our first game will be but we anticipate the pep rally and bon fire would be held on the evening of Thursday, August 24, 2017.

We will be requesting to use the high school field for the pep rally and would like to use the parking lot in the back of Mountain View Park for the bon fire. This is the same location as previous bon fires were held. Once we have your approval, we will forward onto the fire marshal for the appropriate permits and contact the fire department to have them present at the bon fire.

We appreciate your consideration and look forward to receiving approval of this event. If you have any questions please feel free to contact me at middlesexayf@gmail.com or (908) 240-0667.
