Mayor Dimura,

As we discussed please add this information to the agenda for the next Council Meeting. We have several expired ballistic vests that we are storing because we are unable to safely dispose of them. At this point we have a lot of the vests; some stored for several years and no longer have a need for them. As a result we have been in contact with SSGT. Brock Kennedy from the United States Marine Corps Recruiting Station, 41 West Main Street, Somerville, NJ 08876 who has a need for the expired equipment. I would like to request a resolution transferring the attached list of expired ballistic vests to the USMC for their training purposes.

Thank you for your consideration and I look forward to your response.

Dear John,

Thank you for meeting with Jason Bond and me the other night to discuss the Community Forestry Management Plan and the role of the the Commission for the future of our towns trees. We held our March meeting tonight and have a few questions for the Council and Mayor.

1. The Commission would like to approve the CFM Plan but need to fill out page 11 which is the Shade Tree Program Budget Resources. Any information you could fill in would be appreciated.
2. We need one member of the DPW or an elected official to receive CORE training(page 13) before the end of the year. We have a volunteer in the Commission with CORE training already done. Could you speak to the DPW superintendent to choose who will receive this training?
3. During last weekends tree assessments we found a property on the corner of Dayton Ave. and Woodrow St. (12 Woodrow St.) that had two large trees removed which appear to be in the Boro right of way. Our records do not show an approval for these removals. Our next step is to confirm the trees were in the right of way and then proceed if it is in fact a violation. Could you speak to the Mayor on how to proceed? The Commission is seeking to increase fines for such offenses and the trees on Woodrow were very large trees.
4. Several trees were removed at the residence on Bound Brook Rd. across from the Wells Fargo Bank.(fire destroyed the home). Two of the trees appear to have been along the right of way as well as in the rear of the property. The Commission would like to know if the contractor has taken out a Tree Removal Project Permit(395.11) for this property. We were not informed of any removals.

Thank you again. Your assistance is greatly appreciated.

Sincerely,

Daniel Gitler
Chairman Middlesex Shade Tree Commission
